

14th February 2018

To whom it may concern:

Dear Sir/Madam,

Subject: Australian distributor for Reciprocating Compression, BHGE

Baker Hughes, a GE company (BHGE), is the Original Equipment Manufacturer (OEM) for HSR (Superior and Gemini) and Ajax Compressors. We are pleased to inform that Technical Australia Pty Ltd is one of our distributors to cover HSR and Ajax products for the Australia market.

They are our channel partner to support our value customers in Australia with our OEM spare parts supply, service and troubleshooting support.

Our legal entity in Singapore is Vetco Gray Pte Ltd and our market coverage is for the Asia Pacific region for unit sales and aftermarket support.

Please do not hesitate to contact us if you need further clarification.

Thank you.

Yours sincerely,

A handwritten signature in blue ink that reads 'James Wong'.

James Wong
Account Manager - Aftermarket Sales
Reciprocating Compression
